

ChromaLuxe®

HIGH-DEFINITION VISUAL SOLUTIONS FOR
THE BUILT ENVIRONMENT

Transform Spaces, Elevate Experiences

Transform ordinary spaces into unforgettable experiences with ChromaLuxe – the premier print media solution for hospitality innovators. From bustling airports to luxury cruise ships, hotels to fine dining establishments, our state-of-the-art print media elevates every environment with unparalleled visual impact and flexibility. ChromaLuxe provides the tools to craft immersive environments that tell a story. With vibrant colors, durable finishes, and endless customization, it turns hospitality spaces into destinations guests will remember. Perfect for enhancing ambiance, promoting brands, and driving revenue opportunities.

Sustainability

ChromaLuxe is committed to providing environmentally conscious products for the hospitality industry. After making significant investments to modify our production process, we are excited to bring you a product that is made with innovative, eco-conscious technology.

Extended Lifetime

ChromaLuxe's EB curable coatings offer superior scratch-resistance, performance, and durability. This extends the lifespan of products, reducing the need to replace them and minimizing waste.

Energy Savings

EB technology can reduce energy usage by 50% or more. ChromaLuxe coatings allow for faster curing speeds, reducing energy consumption.

VOC-Free

Solvent emissions Volatile Organic Compounds (VOCs) are a major contributor to climate change. ChromaLuxe's EB coating technology provides VOC-Free solutions, reducing greenhouse gas emissions.

Low Carbon Footprint

ChromaLuxe coatings are 100% solid, producing low to no CO₂ emissions. This combined with low energy radiation curing process contribute to low carbon footprint.

Benefits

Revenue Generation

Develop bespoke art pieces and promotional displays that turn visual enhancements into profit opportunities.

Premium Guest Experience

Craft immersive environments that capture attention and leave lasting impressions.

Versatile Design Solutions

Create stunning signage, personalized decor, and branded spaces that evolve with your vision.
