

Specially coated with superior dry erase properties, steel panels not only provide vibrant imagery, but are easy to write on and wipe off.

Steel panels are extremely durable and offer the ability to customize dry erase boards with logos, artwork or photography. Because images are infused directly into specially coated sheets of steel, our material offers unsurpassed color vibrancy, exceptional detail, color resolution and print permanence.

STEEL

Sheet Size: 48"x96" (1219,2x2438,4mm)

Thickness: .023" (.58mm)

Sheet Weight: 33 lbs.

- Available in gloss white
- Hoffman Scratch Test result of 1800
